*Thanks to each and every one of you who give in the many ways to help HELP and provide volunteer service to the agency.

*Thanks to HELP's board members, the weekly office helpers, the bulk mail crew, special event helpers, the V&E support volunteers, and all who help our mission in one way or another.

*We appreciate the time, talents and dedication you provide HELP to assist us in carrying out the mission of eliminating domestic abuse through prevention and intervention services and to advocate for social change.

Immediate Office Needs

Your help is needed around the office. Please consider offering a hand in one of the following areas:

- database entry
- childcare
- snow shoveling
- carpet cleaning
- website maintenance
- office cleaning
- ice chipping
- calls to businesses to offer deals in our upcoming coupon book

Be instrumental in reaching many victims of abuse across the county by volunteering to post "tear-off" sheets listing HELP's contact information in the bathroom stalls of restaurants, bars, and other businesses. Reaching out to victims to let them know they are not alone is a form of advocacy, prevention and intervention. Creating awareness of domestic abuse and HELP as a resource helps spread the anti-violence message. Help us share our resources by posting them. Call or e-mail Erica at HELP at 743-8785 or erica@helpofdoorcounty.org if you are interested in learning more about this project.
